**IBAM 19
2011 Annual Conference
October 13-15 - Orlando, Florida**

Join us in the magical city of Orlando, Florida for IBAM 19, where we will gather to discuss, debate, and present our ideas about the future of behavioral and applied management. IBAM welcomes management educators, business practitioners, and students to share their ideas, research, and experiences in a friendly and supportive environment. Session discussions are lively, informative, stimulating, and broad-based.

Submit your original paper, symposium, panel or workshop proposal to one of the six major divisions, for anonymous peer review for presentation and publication in conference proceedings. The IBAM conference is an excellent outlet for completed research, work-in-progress, and the sharing of experiences in a variety of management sub-fields through refereed paper sessions, symposia, workshops, and panel discussions. Divisions include:

- I. Human Resource Management
- II. Organizational Behavior, Theory and Development
- III. Strategic and Global Management
- IV. Management Education and Pedagogy
- V. Student Papers
- VI. Special Topics: Hospitality Management, Entertainment, Sports and Travel

Participate as a presenter, reviewer, session chair, discussant, volunteer or division chair. We will welcome you warmly and value you as an individual and colleague, not a member of a cast of thousands. Executives, managers, professionals, and students are all members and active participants in IBAM's annual conferences.
