

We are Growing!

Thanks to your support, IBAM continues to grow. This growth has caused us to update to a new conference submission platform using OpenConf. If you have never registered on the OpenConf platform, then we ask that you do so today!

To Register as an IBAM member and Peer Reviewer (no fee required, all are welcome, takes only a few minutes!)

1. Go to this link: <https://www.openconf.org/IBAM2011>
2. Enter keycode in box provided: IBAM (*must be all upper case letters*)
3. Click on “Enter” and follow instructions on registration form
4. Make a note of your username and password for future access

To Submit a Paper to IBAM 2012 in Nashville (please register first as a member, see above)

1. Prepare a “blind” version of your paper with all author references removed
2. Go to this link: <https://www.openconf.org/IBAM2011>
3. Click on “Make a Submission” and follow instructions on submission form
4. Upload your paper in WORD (.doc or .docx) or Rich Text Format (.rtf)
5. Make a note of your submission number and password for future access to submission status and reviewer comments
